

NOTHING TO LOSE

VERSE 1

Isn't it true, that you love me?

Isn't it true, that you care for me?

Why can't you give me, what all the others have? (*others have, others have*)

Zwischenteil - Selbstreduktion

I feel small, you're tall.

I feel weak, you're strong.

I will lose, you will win.

I have nothing, you have - everything.

CHORUS

Tell me the truth, why do I have nothing to lose?

Is it my fate that I was born in this world with no grace?

Can I ever change a life I was meant to live? Born with no gold.

I'm all alone, no one to hold, why do I feel so cold?

VERSE 2

It is my birthday, no one's here today.

Still I keep on waiting, waiting for some friends to play.

Why can't I live life like a normal child?

Zwischenteil - Bridge

Oh -oh-oh...

CHORUS 2x - Fine

Tell me the truth, why do I have nothing to lose?

Is it my fate that I was born in this world with no grace?

Can I ever change a life I was meant to live? Born with no gold.

I'm all alone, no one to hold.

Tell me the truth, why do I have nothing to lose?

Is there a way? Please help me through my day, I need you.

Can I ever change a life I was meant to live? Born with no gold.

I´m all alone, no one to hold, why do I feel so cold?
